

Divots & Tidbits

Newsletter Naming Contest

We want to thank everyone who entered the naming contest. We had over 50 suggestions. The HOA Board members each chose three they thought were the best. Lo and behold, all of the Board members had "Divots & Tidbits" as a

top choice and it became our winner.

The entry was submitted by the Andersons of 2701 N. Turnberry. They have received a fifty dollar gift certificate to the Lakeview Golf Course. Congratulations!

LACLHOA President Jim Borton presenting the gift certificate to the Newsletter Contest Winners, the Andersons.

Annual Garage Sale is May 16th!!!

This is your chance to clean out that garage— and those closets, too! We will hold our annual association garage sale on Saturday, May 16th. We will advertise in the Idaho Statesman and have signs at the entrances. Advertised hours will be from 8am – 4pm. - (but you may elect to close earlier if

you like.) Be sure to participate!

In order to signal your involvement— please tie a ribbon, balloons, or bows to your mailbox on Friday night to help us make sure that the signs indicate your location!

Good Luck and Happy selling!!!

Yard Sale May 16th

So important– we are mentioning it twice!!! We would love it if you would participate in our annual garage sale– details on page one!!!

Don't miss this opportunity to sell all that stuff you have been storing and free up the space.

ACHD Speed Bump

ACHD has installed a traffic counter on Turnberry to determine if a speed bump would be necessary at that location. There has been one accident and it has been reported to us that the traffic speeds through that area. We will keep you advised.

Past Due Accounts

We have sent out a 2nd notice to those who have not paid their 2009 dues. Thanks to all those who have paid. This is the time of year that our expenses go up. We would appreciate if everyone would get their dues in ASAP.

Neighborhood Watch News

How well do you know your neighbors? How many do you know by name? Do you know their kids, their dogs? If you were in the middle of an emergency, could you turn to them for help? Do you know who the Neighborhood Watch Block Captain is? Do you even have one?

Spring is a great time to re-acquaint yourself with those living immediately around you. Maybe new neighbors have moved in, or

you yourself are new to the area- it doesn't cost anything to take a moment to say hello and offer to exchange information.

At a minimum, you should share the names of all members of the household, home, work and mobile phone numbers, pets names, any medical conditions, and a contact not living in the household. And don't forget to share if you are going to be out of town!!!

CC&R Update

Remember during this time of year it is ok to park your boat, RV or trailers in your driveway *while you load or unload them*. At most, this process should only take a few days. Parking any longer is still a violation. Please keep your neighbors in mind during this time.

If we all are considerate and think of our neighbors– our association will remain the special place to live that we all appreciate.

The sweeter side: Cranberry-Orange Bars

- 3 Cups fresh or frozen cranberries
- 2 large unpeeled oranges, cut into quarters and seeded
- 2.5 cups sugar
- 3 tablespoons cornstarch
- 1 teaspoon ground ginger
- 1/2 cup (optional) chopped nuts

Crust:

- 3 1/4 cups all-purpose flour
- 3/4 cup sugar
- 1 tablespoon grated lemon peel
- 1 cup cold butter
- 3 egg yolks

- 3/4 teaspoon vanilla extract
- 1-2 tablespoons water

First, grind cranberries & oranges (including peel.) Set aside. In a saucepan, combine sugar, cornstarch, and ginger. Add ground fruit; bring to a boil. Reduce heat, cook and stir for 15 min. or until thick. Remove from heat, stir in nuts – set aside to cool.

For the crust, combine flour, sugar, and lemon peel in a large bowl. Cut in butter until coarse crumbs form. Add egg yolks, vanilla

and just enough water so dough holds it's shape. Pat two-thirds of dough into a greased 13"x9"x2" baking pan. Cover with cranberry-orange mixture. Crumble remaining dough on the top.

Bake at 425 degrees for 20-25 minutes, or until the topping is golden brown. Allow to set to cool. Cut into bars. Yields approximately two and a half dozen average sized bars. They make great snacks, but can also be served for dessert. (Maybe with a little ice cream???)

Eat at Bogies...

The golf course offers a Breakfast and Lunch menu seven days a week. A Dinner menu is offered Thursday – Sunday evenings. The Lunch menu and specials are also available in the evenings. And remember: Thursday night is "BBQ Rib Night" – but get there early!!!

Did you know?

- 1) Approval by the Homeowners Association Architectural Control Board is necessary for all Sheds, Painting and Fencing projects?.
- 2) Trash cans may only be visible from the street on trash day? All other times it must be stored hidden from view.
